

Use and Renovation of Industrial Heritage

"Protection by Use"

Notodden municipality, Norway
Bjørn Frode Moen
UNESCO World Heritage coordinator

***"Great things are done by
a series of small things
brought together."***

Vincent Van Gogh

The WH site Rjukan/Notodden

"In the beginning it was water"

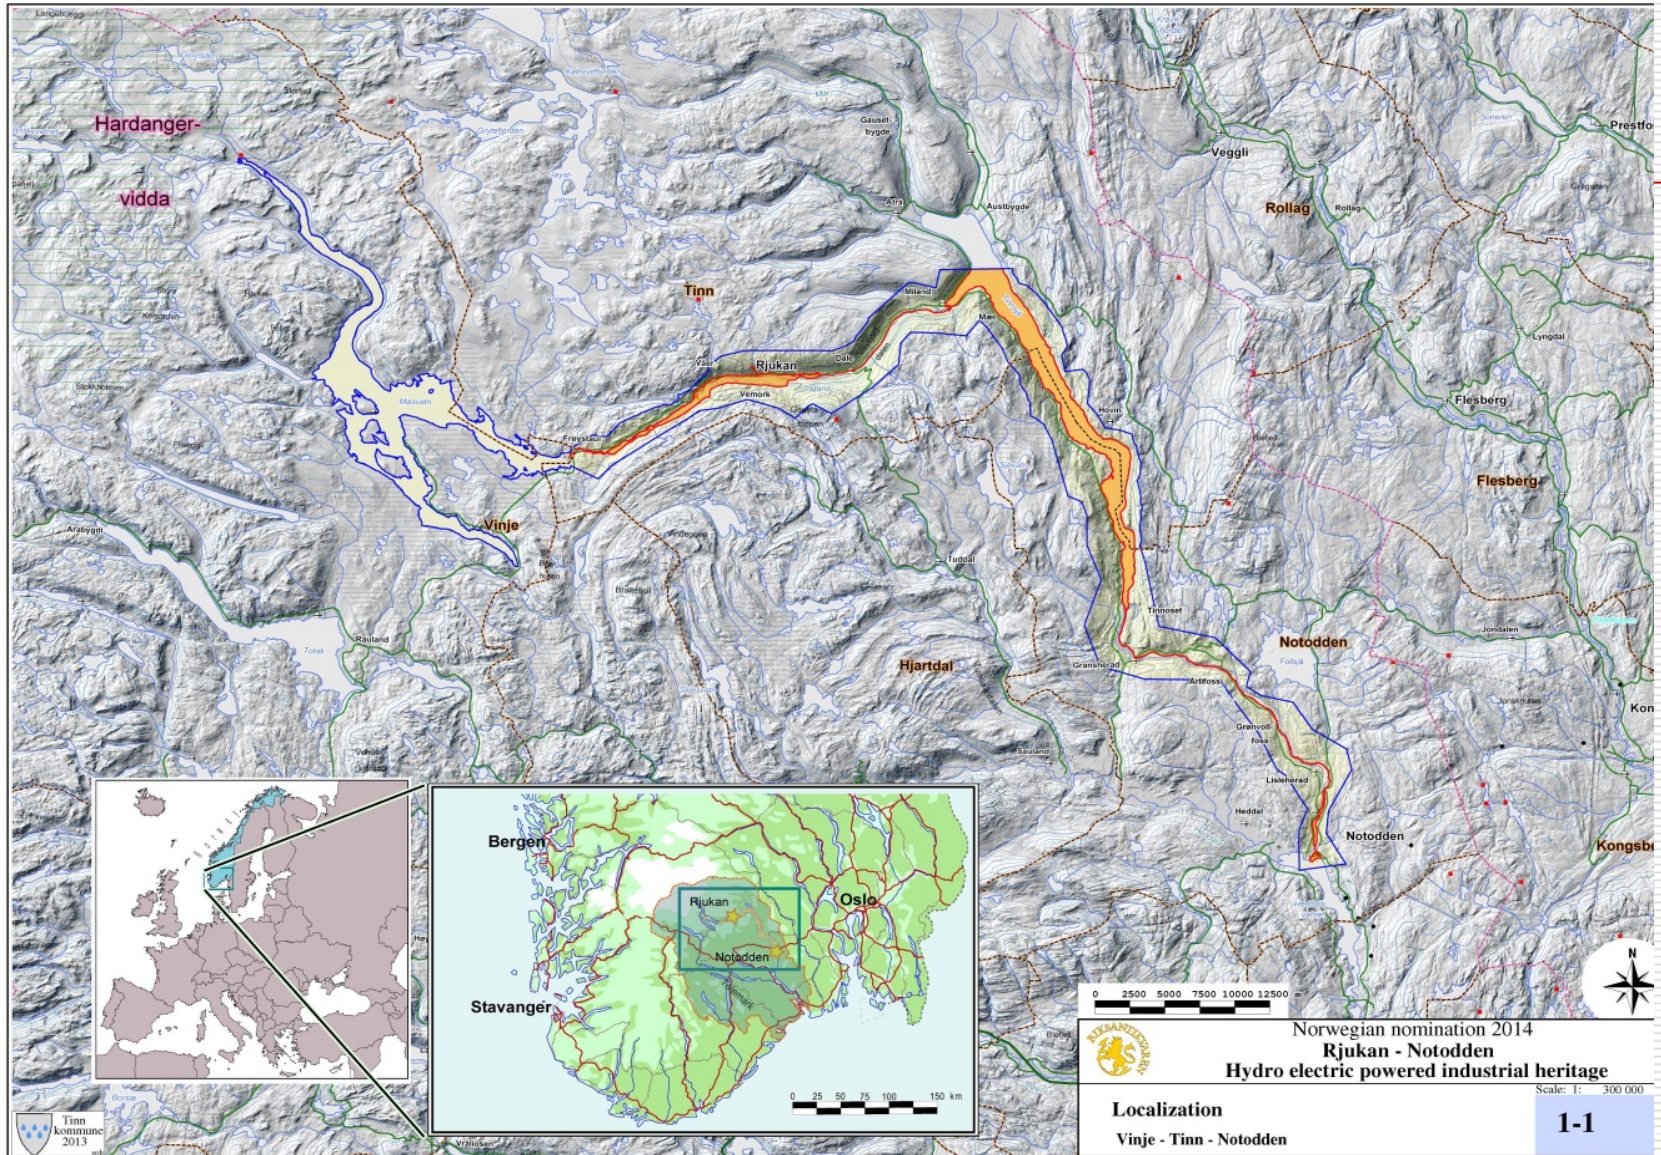

The second industrial revolution:

*The use of electric power from water and
the production of artificial fertilizer.*

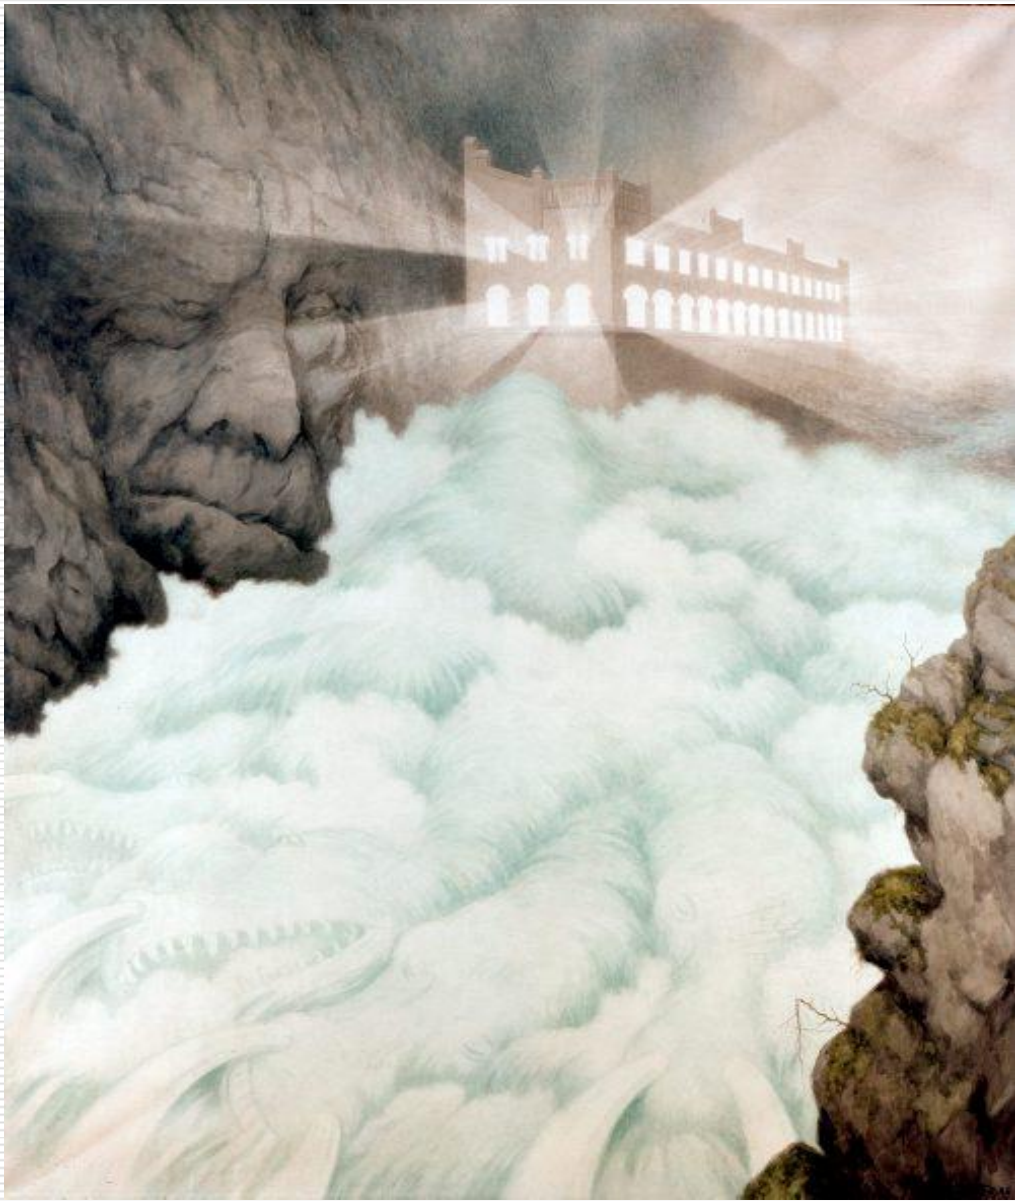

Norway from the poorest to the richest in 100 years
